

▶ 4" Round LED Compartment Light Kits

FEATURES

- White LED 4" round compartment light.
- 12V – 24V.
- Models available with black or gray grommets.
- Sealed wire harness with 12" two-wire pigtail.

Ideal for Compartment Lighting

The 4" round white LED compartment light kit is the latest addition to the Signaltech™ product line. The small and compact design enables the installer to easily mount the LED compartment light inside the vehicle's storage areas.

Each unit features a sealed wire harness with a 12" two-wire pigtail. This enables clean installation. In addition, 4" round compartment lights are available with either a gray or black mounting grommet to enable installers to match the vehicle body.

Specify model
